Level 2 Diploma in Health and Social Care (Adults) for England

What does the qualification cover?

This qualification develops the knowledge and skills needed when working with adults in health and social care environments. It covers a wide range of areas including supporting individuals with their physical and emotional care, daily living needs and health care procedures.

It has three pathways:

- Generic Health and Social Care
- Dementia
- Learning Disability

It is also a must-have for all those undertaking the Level 2 Health and Social Care Apprenticeship.

Who is it suitable for?

All those who wish to work or who are working in a supervised role with adults in health and social care.

What are the entry requirements?

You should be at least 16 years old. We do not set any other entry requirements but colleges or training providers may have their own guidelines.

How many credits are required to complete it?

The Diploma requires 46 credits.

How is it assessed?

It will be assessed by your tutor or assessor using a range of methods. This could include direct observation in the workplace, a portfolio of evidence, written assignments or a task.

Do you need to be working to take the qualification?

Yes, you will need to be working, volunteering or on practical placement as you need to show competence in both knowledge and skills.

How long does it take to complete?

You can usually complete it in a year or less.

What related qualifications can you progress to?

The Level 3 Diploma in Health and Social Care (Adults) for England.

Funding for our qualifications

There is funding for this course. Please ask the coordinator.

Which type of job roles can learners apply for on completion?

- Care Assistants in Residential Settings or Supported Living
- Healthcare Support Workers in Community and Primary Care Environments
- Healthcare Assistants in Acute Health Environments
- Care Support Workers in Domiciliary Services

Level 2 Certificate for the Children and Young People's Workforce (England)

What does the qualification cover?

This qualification is designed to help learners build the knowledge and skills needed when working under supervision with children and young people from birth to 19 years of age. It covers a diverse range of job roles and occupational areas working in children's settings including early years and social care.

It is also a must-have for all those undertaking the Level 2 Children and Young People's Apprenticeship.

Who is it suitable for?

Anyone who wants to work, or has just started to work in the children and young people's workforce.

What are the entry requirements?

You should be at least 16 years old. We do not set any other entry requirements but colleges or training providers may have their own guidelines.

How many credits are required to complete it?

The Certificate requires 35 credits.

How is it assessed?

It will be assessed by your tutor or assessor using a range of methods. This could include direct observation in the workplace, a portfolio of evidence, written assignments or a task.

Do you need to be working to take the qualification?

Yes, you will need to be working, volunteering or on practical placement as you need to show competence in both knowledge and skills.

How long does it take to complete?

You can usually complete it in a year or less.

What related qualifications can you progress to?

It provides a direct progression route to the Level 3 Diploma for the Children and Young People's Workforce as they share a number of units.

You might also like to look at our suite of Early Years Educator qualifications. Learners completing an Early Years Educator qualification will have been trained to the highest of standards, equipping them with the best early years qualifications available. These are now the must-have qualifications for all those wanting to work at Level 3 with children from birth to five years of age, and will provide the full and relevant status of being an Early Years Educator.
